<http://10.12.95.8000/surveillance/>

Note: The Surveillance Station Pro only supports 32-bit Internet Explorer version 7.0 or above.

Add More Recording Channels

The Surveillance Station Pro offers one free recording channel. To add extra number of recording channels, please purchase the license at GVP License Store (<http://license.gvp.com>) or contact an authorized reseller for assistance.

Step 1: Go to License Store: to buy a license: <http://license.gvp.com>

Step 2: Click "License Management" to install the license.

Current / Maximum number of recording channels: 2 / 8

Note:

- The number of recording channels supported varies by the NAS model. Please refer to the information on <http://www.gvp.com> before purchasing or activating the license on the NAS.
- The maximum number of recording channels supported is for reference only. The actual recording performance may vary depending on the IP cameras, video contents, network bandwidth, recording settings, and other running applications on the NAS. Please contact an authorized reseller or the camera vendors for more information.
